

STANDARD OPERATING PROCEDURE: INVOICE PAYMENT & AUDIT WORKFLOW

1. Purpose and Scope

This procedure outlines the end-to-end verification and disbursement process for vendor invoices.

2. Process Steps

- Step 1: Accounts Payable receives the vendor invoice by email and enters the invoice into SAP.
- Step 2: Accounts Payable performs 3-way matching against the Purchase Order and Goods Receipt.
- Step 3: If invoice amount exceeds 0,000, Finance Director conducts executive budget review.
- Step 4: If budget review is rejected, Accounts Payable sends a dispute notification to the vendor.
- Step 5: If approved or under threshold, Treasury schedules the automated bank wire transfer.
- Step 6: Finance Specialist archives the payment confirmation receipt and closes the account record.

3. Responsible Actors

Accounts Payable, Finance Director, Treasury, and Finance Specialist.
